WE ARE  
FAMILY

## The First Egg

In 1997, Founder Chris Skodras opened the original Eggs Up Grill in the coastal community of Pawleys Island, South Carolina. The restaurant quickly became known as the home of great tasting food, casual conversations and long-lasting memories. It was the start of Eggs Up Grill being the gathering place for family and friends in each community we call home.

## Neighbors Serving Neighbors

Today, you can experience this same sense of community in your local Eggs Up Grill, where the hectic pace of the day fades away into the sounds of friends and family making up for lost time. You'll find the warm welcome of smiling, attentive team members, the appetizing aromas of freshly brewed coffee, hand-cracked, farm-fresh eggs on the griddle and savory home fries. The first bite of your favorite omelet, the taste of a buttery blueberry muffin, the crispy crunch of fresh, grilled bacon or the indulgence of sweet potato praline pancakes will make you feel right at home.
